GREENDALE SCHOOLS LAUNCHES SUPERINTENDENT SEARCH Community Forums Set to Gather Resident Input

GREENDALE, WI - Greendale Schools will hold three Parent/Community Forums to gather resident input as it builds a profile for its permanent superintendent of schools. The meetings will be held on Tuesday, November 10, and Wednesday, November 11, in the Greendale High School Multipurpose Room (cafeteria); and Tuesday, November 17, in the Greendale High School library. All meetings begin at 6:30 p.m. Greendale High School is located at 6801 Southway, Greendale. Childcare will be available.

These meetings are the next phase in the search process and will help the District develop a profile of attributes for the new leader, which will provide the foundation for a superintendent recruitment and selection process unique to Greendale. In addition to the forums, an online survey will be made available online beginning November 9, to collect additional community feedback in this process. A link to the survey will be located on the District website.

“Building this profile will allow us to engage parents, staff, and the greater community in the process of selecting the new superintendent,” said Joe Crapitto, president, Greendale Schools’ Board of Education. “We value the opinions of all our stakeholders and are seeking their input as we work to recruit a new leader for our District.”

These community forums will be conducted by Dr. JoAnn Sternke, current superintendent of the Pewaukee School District, who is a local consultant for School Exec Connect, the firm hired to conduct the search process for Greendale Schools. The New Superintendent Profile is projected to be completed for presentation at the December 7 School Board meeting.

A timeline for the search process is available on the Greendale Schools [website](#).
